
Ale Street News

Posted by mksortet - 2008/05/05 07:22

Reading "Ale Street News" makes me so thirsty!

Does anyone know if the AleStreetNews is in publication in AZ? I would love to have this newspaper here to read when I want to! I love beer and love to make beer and this newspaper would be a great addition to my reading habits of beer.

It certainly can be. Subscriptions are \$18.95 and can be purchased online here.
