Thanks to all of the Ale Street News staff that put on this great event. My wife and I have been to all three events and have had a wonderful time at each. This year we ran into a unique situation that was handled perfectly by the staff, my wife's friend is physically handicapped and in a motorized wheelchair. We realized that she wouldn't be able to reach a majority of the vendors due to the fact that there were different levels. Jack and his staff sent people to bring the food and beer to her. This worked out very well and my wife received an e-mail in which she said that she had a great time. To anyone reading this: If you didn't make it this year, i suggest that you put it on your calendar for next year. It is unlike any other beer event and is one that is not to be missed. We look forward to next year.
