
Great bars in Philly

Posted by riesch - 2008/06/19 12:53

How can you leave out South Philly Tap Room? great food! And don't forget to stop at The Grey Lodge and have one of their top rated Cheese Steaks, better than Pat's or Gino's, on top of that they have a great beer selection to wash it down.

Yes, Grey Lodge is excellent! You can even refill a growler with your favorite beer they have on tap!
