Good Morning All,

On Monday April 7th Mugs Ale House will be hosting Tim Surprise of Arcadia Brewing in Michigan. He will be in attendance from 6-9PM to entertain you and take your questions. We will be pouring 4 beers from Arcadia Brewing: Cocoa Loco Triple Chocolate Stout, Cereal Killer Barleywine, Big Dick's Old Ale and Hop Rocket. There are only three kegs of Hop Rocket in NYC, so come try it while you can.

Hope to see you there.

Ed - Mugs Ale House

Mugs is a Great Pub! Check it out! Any Mugs stories out there? Any greta pub stories out there? Let here about it.

I love Mugs Ale House. Great place in the summer to sit out back - grab a burger and a brew.

Beer lovers have 2 weeks to recover from the fantastic UBT III, and attend the " Dogfish Head night" at Standings on 7th st. As per the lovely Elizabeth, who poured Reason de' Extra at the UBT, Sam will not be attending but many of his ground breaking beverages will be in attendance. Look into it.
